

Bindery Stacker CS/25

Application

The CS/25 is the best solutions for automatic stacking behind saddle stitchers, perfect binders and inserters. They combine simple and solid design with superior performance for high speed requirements of up to 20.000 copies per hour. The quick non-tool setup, various delivery directions (left or right (standard), optional alternating) and minimum space requirements allow effective application in a variety of configurations.

Technical Data

	CS/25
Mech. Speed (max.)	20'000 copies per hour
Product thickness (pages)	1 – 32 mm
Product width (min.)	102 mm
Product width (max.)	321 mm
Product length (min.)	152 mm
Product length (max.)	470 mm
Stack height (max.)	235 mm
Infeed height	660 – 1080 mm
Delivery table height	876 mm
